

## GD-HW-BPBB0550G

Black body temperature reference

- Designed for professional 24/7 usage
- Small Design

### PROFESSIONAL

- Product Line Professional: These products cover most applications of modern video systems

## Specifications GD-HW-BPBB0550G

### Thermal module

Temperature Rating:	5° C - 50° C adjustable
Temperature stability:	±0,1°/h

### General

Accuracy:	±0,1°
Temperature resolution:	0,1° C

### Environmental

Operating Temperature:	0 °C ~ +40 °C
------------------------	---------------

### Electrical

Supply Voltage:	100 ~ 240 VAC, 50Hz / 60Hz
Power Consumption:	24 VDC, 50Hz, 20W

Item Code: GD-HW-BPBB0550G

EAN CODE: 4260573062584

## Mechanical

Dimensions:	120 x 103 x 170 mm (4.72 x 4.06 x 6.69 inch)
Weight:	1890 g (4.17 lb)
