

Type: PC based NVR - IP - Recorder

Item Code: GD-RX-BP3464R

EAN CODE: 4260573064519

## PROFESSIONAL

The PROFESSIONAL product line comprehensively covers modern video systems and offers versatile solutions for various areas of application.

## Highlights

### Continuous operation

This Grundig Security device is capable of operating 24/7 continuously on any day.

### Smartphone App

The mobile application was developed to facilitate operators in effectively controlling and managing video systems remotely, at any time. It allows for live image viewing, playback of recorded video data, and receipt of remote notifications.

## Features

- C-WERK offers additional benefits from its modular structure and distributed architecture, which enable flexible design of the video systems
- Effective hard-disk use results from an in-house file system, which saves space on the hard disk and enhances data security
- Centralized user Management
- Mouse and keyboard included
- Mobile client support - iPhone, iPad, Android

## Specifications GD-RX-BP3464R
